

## **2005 CHEVROLET IMPALA**

146,218 miles

New refurbished batteries – 11/1/18

Previous Police car

Most recently used to go to Joliet twice a month until retired three months ago.

## **1991 CHEVROLET 3500 STAKE BED**

Diesel

68,300 miles

Truck originally from U.S. Military base

New refurbished batteries installed on 11/1/18

## 1990 GMC TOPKICK

133,254 miles

Plow & spreader both work

Spreader will need new rubber spinner

Key ignition does not work –  
push button start has been added

Most recently used for brush & leaf pick up

Retired in March, 2018

## SKID STEER ATTACHMENT

Snow Wolf snow plow

Angle blade

96" or 8' in length

Operates smooth

Rarely used – has only pushed snow a few times

## **1988 FORD F-800 8-TON DUMP/PLOW TRUCK**

Diesel, strong running truck

Motor in good condition

Mileage shown is 137,910 – current could be around  
145,000 (odometer has not worked in approx. 3 years)

Truck is set up for plow & spreader

Key hard to get in & out of ignition

Bed was re-framed and plated in some areas in 2011

Was front-line plow truck for last 14 years

Hydraulic system works well, dump bed works well
